

## **Department of Molecular Biology and Genetics, KazNU on its route to decorating the hostel and educating hostel students**

Published on May 11, 2017

**Communicated by Drs Z. Aytasheva, E. Dzhangalina, and A. Tokubaeva**

In April- May 2017 our department was busy by decorating hostel's dining room with a colourful three-module poster as well as supplying hostel's reading room with books, and newspapers in Kazakh, Russian languages apart from holding English Club sessions on Epigenetics and other topics related to modern chapters of Molecular Biology and Genetics. Books were provided by one of department's employers, Dr. Leyla Djansugurova.
