Practice: 2 hours

Criminal Law of Republic of Kazakhstan and foreign countries. Special part

Goals criminal law is one of the majors studied in higher education institutions of the Republic of Kazakhstan. Teaching criminal law requires disclosure of the socio-political meaning and legal content of the criminal law, the relationship of its constituent norms and institutions, mastering the methods of scientific analysis. In studying criminal law students deepen the knowledge of the content and trends of the legal system, the role of law in the implementation of socio-economic transformation of society, the possibilities and the limits of the criminal law to combat crime. Teaching of Criminal Law in higher educational institutions of the Republic of Kazakhstan aims at forming students deep theoretical knowledge and on this basis to impart durable skills they need to effectively carry out the tasks entrusted to the judiciary and law enforcement agencies. **The main objectives** of the course are systematic presentation of students' theoretical knowledge of the principles and provisions of the categories of criminal law sciences, teaching students the correct orientation in current criminal legislation, capacity skillfully interpret and apply the provisions of criminal law, to qualify crimes. The priority should be education of the students' respect for the criminal law as an indisputable way to protect citizens, their rights, freedoms and legitimate interests, and the interests of society and the state from criminal encroachments. An important aspect of the teaching of the course of the criminal law is the active development of inter-subject relationship with general theoretical, and especially with other legal and special subjects of criminal procedure, penal, administrative, civil law, criminology, forensics, operational and investigative activities, and others

Prerequisites: Logic, Theory of State and Law, Constitutional Law of the Republic of Kazakhstan.

Postrekvizits: Criminology, Criminal Executive Law, Basic of qualifying crimes.

Available online: Additional training materials and documentation used for homework, will be available on your page on univer.kaznu.kz site. in EMCD section.

Course Organization

As part of a special course in preparation for the lessons given to the essential role of a criminal offense of the special part of criminal law of the Republic of Kazakhstan and foreign countries. CDS Targets are individual, and 3 types: training; research and enforcement nature.

Course Requirements

1. For each classroom you have to prepare in advance, according to the schedule below. job training should be completed by the classroom, where the topic is discussed.
2. CPC Tasks will be distributed throughout the semester, as shown in the graph of discipline.
3. Most of the CDS tasks will include some questions that can be answered.
4. During the semester you will be using the material studied in the job. Specific requirements for the research assignment will be distributed in class. All assignments will constitute 10% of the final mark of the course.
5. You will need to perform the task of law enforcement provided by the teacher. Specific requirements will be distributed in class. This task will be 15% of the final grade.

When performing tasks subject to the following rules:

- Tasks to be performed within a specified time.

- The job must be done in electronic form. Questions must be numbered, and the final answers must be provided.
- You can work together with another student with homework, with the proviso that each of you will work on a specific issue.

Evaluation Policy
