Chair international law

Teacher - N. Jetibayev
FINAL EXAM CONTROL

The exam form is oral on the ZOOM platform.

The exam form is oral on the ZOOM platform. The exam is taken by the teacher who conducts the lesson himself. Tickets are made by the deputy dean of UMVR through the Univer system. In order to successfully pass the exam in the discipline" special section of Criminal Law of the Republic of Kazakhstan", the student must: - carefully study the course of study in accordance with the completed program;

- study of additional literature on the topics of the course;
- the composition of crimes against life;;
- to determine the composition of criminal offenses against the family and minors;;
- the composition of medical criminal offenses;;

Rules for conducting the exam. When conducting an oral exam, the student must turn on the video recording. Before starting the oral exam, undergraduates must check: internet connection on the working device (computer, monoblock, laptop,• tablet), the device must be provided with charging for the entire duration of the exam; the suitability of the web operation of the camera and microphone. The teacher calls the name of the student to whom he is responsible. There should be no strangers in the room where it is located. It is forbidden to use additional sources of information the ticket provided by the dean's Office is displayed on the screen. There are 3 questions on the ticket. Final control issues necessarily include tasks that are considered in all types of classes (lectures, practical, ISW), as well as questions that are submitted to MidtermExam.

The time to prepare for the answer is 15 minutes. The response time is 15 minutes. If necessary, the student is allowed to write the answer theses on paper with a pen. Before answering, the examiner must present a sheet with abstracts. The student should always be in front of the camera. You can't turn off the camera. The rest of the examiners should be on standby-they should not be in front of the camera all the time, but should not leave the meeting. The student must complete the exam in one ZOOM session . It is forbidden to start the response and complete the restart in one session. Pay attention. If, for technical

reasons (power outage, internet shutdown, or low speed), a graduate student who has opened his ticket does not stay online for more than 10 minutes during the exam, then his answer is canceled. The exam is postponed to another day in coordination with the Department of academic affairs. After completing the answer, the student who passed the exam is allowed to leave the video conference. Next, the procedure is repeated in the same way with each graduate student of the group.

Evaluation policy. Final control (exam) - 100 points. The assessment is carried out according to the following Scheme: 1 question - 30 points 2 questions - 30 points 3 questions-40 points. Exam schedule. The exam is conducted in accordance with the approved schedule, which the student is informed about. The score is entered in the final statement in the Univer IP. The time for putting points in the certification list for the oral exam is 48 hours.
