Introduction

The examination is to be held online in a multiple-choice test format at the UNIVER system that is to be monitored by proctors who, similarly to the conventional format of examinations, monitor the compliance with the *Examination Procedures and Rules* to detect and eliminate all prompting, copying and other violations. The monitoring of the examinee's desk, the room for the absence of the third persons, as well as detecting additional voices, noises, gaze trajectory - is to be conducted by a proctor and/or a machine. The examination is to be recorded and may be reviewed when the verdict of the compliance is required.

Examination Procedure

The examination starts according to the *Examination Schedule* that is to be accessible at UNIVER system. The *Proctoring Instruction* is to be accessible as well. Please, consult your schedule and instruction well in advance. The examinee must be present online 30 min. prior the beginning of the examination. The duration of examination is 90 minutes. The Examination Test contains 40 multiple choice questions. The examinee is to choose the right answer among five given options.

WARNING!!! In the case of manifest violation of the *Examination Procedures and Rules* (see the *Instruction*), the examination is terminated and the results are annulled.
