How do the former Soviet republics that now constitute the Commonwealth of Independent States (CIS) interact with each other and with other regional and world powers? What are the conceptual foundations, mechanisms, and main directions of each member state's foreign policy? What role do economic and political factors play? Answering these questions and more in this systematic, comprehensive survey, a team of in-country experts sheds important light on the complex regional and international interactions of the CIS states in the twenty-first century. A companion website offers a wealth of translated official documents and further, up-to-date information.

- Appendixes.

#### Editorial Reviews

##### Review

This unique book offers insight into the foreign relations of the CIS states, both with each other and with the outside world.... It is a must read for all serious students of the former Soviet Union. (Christopher Marsh, Joint Special Operations University)

The authors representing [the CIS's] respective countries and the objective overview make this book truly unique. (Sergey N. Lebedev, Executive Secretary, Commonwealth of Independent States)

This excellent volume offers what is frequently needed the most: a systematic description and facts-based analysis of the important trends in the CIS states' foreign policies. It is a welcome contribution to our understanding of Russia and the Eurasian region. (Andrei P. Tsygankov, San Francisco State University)
