H 18 History of Kazakhstan (Қазақ Елі): A 4-volume set of textbooks. Book 2:
Kazakhstan in century – the first quarter of the XVIII century / T.O. Omarbekov,
B.B. Karibaev, N. D. Nurtazina [et al.]. – Almaty: Qazaq University, 2021. – 276 p.
ISBN 978-601-04-3651-0 (general)
ISBN 978-601-04-3653-4 (2nd book)

The second book of the 4-volume set of textbooks “History of Қазақстан (Қазақ елі)», which was published for bachelors of the specialty «History», is devoted to the historical problems of the XIII - the first quarter of the XVIII centuries. The textbook considers complex historical processes from the beginning of the Mongol invasion, formation of the Kazakh Khanate and up to the events of its collapse. In the book the historical sources used in the modern historical approaches developed in the national science in the years of independence are explained from the new methodological positions, the events connected with the history of formation of the Kazakh ethnos, the struggle for prosperity of the states of the ancestors – kaganates, orda-ulus, khanate are considered.

The textbook is provided with various historical-comparative tables, diagrams, schemes, proved historical sources and photographs, as well as questions for practical works, tasks for independent works of students and references.
