Task 1. In pairs, students discuss the meaning of the expression Surviving disaster and what they think it is about. Ask students: What is a disaster? (Something very bad that happens and causes a lot of damage or kills a lot of people.) What is the difference between a natural disaster and a man-made disaster? (A natural disaster is something that is created by a natural event, e.g. an earthquake, volcanic eruption, flood).

Task 2. Ask students to match the photos to the words. Remind them there are five extra words. Check their answers.

Task 3. Speaking In pairs, students discuss which parts of the world they associate with the natural disasters in exercise 1a and which ones could happen in their country.

Task 4. Listening. Play the track for students to listen to the definitions of eight words and write the correct form of the words in exercise 2 that match them.
