Room 302

Task 1. In pairs or small groups, students discuss which everyday item from page 110 they use most and which they never use, and say why. Then have them think about their parents and answer the same questions.

Task 2. READING Ask students to read the text through, ignoring the spaces, in order to check their ideas about ‘screenagers’ in exercise 1a.

Task 3. CRITICAL THINKING Give students time to note down a very brief response saying if they agree with the description of Gen Z and saying why or why not. Then encourage a class discussion.

Task 4. Listening. Play the track for students to listen to the definitions of eight words and write the correct form of the words in exercise 5 that match them.
