Exam program

Form - standard verbal (offline). The exam is taken in the classrooms of the faculties. The duration of the exam is 2 hours. The process of passing an oral exam by a student involves the automatic creation of an exam ticket, to which the student must answer orally before the lecturer and the Examination Board.

Procedure for conducting a standard oral offline exam

1. The oral exam allows students to demonstrate the learning results, skills and competencies acquired during the study of the discipline, the ability to logically express their thoughts aloud, to substantiate their point of view.

2. The methodology for conducting lectures, seminars, independent work should ensure the readiness of students to pass the oral exam.

3. In the classroom where the oral exam is held, no more than 5 examiners may be present at the same time. The rest of the examiners of the current group are waiting for a personal invitation outside the exam classroom without leaving the faculty building.

4. Oral exams are held in classrooms with video cameras.

5. When entering the exam classroom, the student is obliged to show the examiner his / her identity card and sign the entry form.

6. During the exam, it is forbidden to get up and/or change seats, leave the auditorium until the end of the ticket response.

7. During the oral exam, the exam ticket is selected by the examiner himself.

8. In preparation for the answer, the student is given sheets for drawing up a summary of the answer. The time for students to prepare an oral answer is 10 minutes. To defend the answer, the student passes the exam in front of the examiner for no more than 5 minutes.

9. After the last name is announced, the student begins his / her response on the ticket. Each question is evaluated based on the highest score specified in the "questions" appendix.

10. The examiner has the right to ask additional questions to the student to more deeply determine the level of knowledge, as well as to provide tasks and examples within the framework of the questions of the exam ticket.

Evaluation policy. Final control (exam) - 100 points. The assessment is carried out according to the following scheme:

Question 1-30 points;

Question 2-30 points;

Question 3-40 points.

The exam is conducted in accordance with the approved schedule, which is communicated to students. The scoring time in the certification inventory for the oral exam is 48 hours.
