2. METHODOLOGICAL INSTRUCTION FOR FINAL EXAMINATION: TESTING

2.1. Exam form: Testing. **Platform:** IS Univer. **The exam format:** synchronous online.

2.2. The purpose of Testing: to demonstrate the learning outcomes, skills and competencies acquired during the study of the discipline.

2.3. Regulations for the examination.

2.3.1. IMPORTANT – the exam is conducted according to a schedule that must be known to students and teachers in advance.

2.3.2. Examination testing is carried out only on the official information and educational platforms of the university: in the IS Univer.

2.3.3. It is PROHIBITED to conduct exam testing on external services (Google / Microsoft Forms, Kahoot, Quizzlet, etc.). External services can be used during ongoing classes, but not for the exam.

2.4. Test duration:

- IS Univer – 90 minutes for 40 questions,

2.5. Control of testing - online proctoring.

Proctoring technology (“proctor” - control the progress of the exam). Proctors, as in a regular exam in the classroom, ensure that examinees pass the tests honestly: they complete the tasks independently and do not use additional materials. Both a specialist (face-to-face proctoring) and a program that controls the examinee’s desktop, the number of faces in the frame, extraneous sounds or voices, and even eye movements (cyber proctoring) can monitor an online exam in real time via a webcam. A type of mixed proctoring is often used: a video recording of the exam with program comments is additionally viewed by a person and decides whether violations actually occurred.

2.5.1. During the exam, students are PROHIBITED from carrying and/or using cheat sheets, cell phones, smartwatches and other technical and other means that can be used for unauthorized access to auxiliary information.

2.5.2. If there is no good reason, failure to appear for the exam will be assessed as an “F”.

2.5.3. If a student violates one or more of these points, a certificate of cancellation of the examination work (hereinafter referred to as the Certificate) is filled out, and a grade of “F” (“unsatisfactory”) is assigned for the discipline.

2.5.4. For repeated violation of these Rules during the exam, the student is presented for consideration by the Faculty Council on Ethics.

2.5.6. All violations during exams are recorded in the student’s transcript.

3. EVALUATION POLICY

3.1. At the end of the testing time, the teacher evaluates the summary report with the students’ results and stores the scores in the certification sheet.

In the IS Univer, points are automatically transferred to the attestation sheet. Before saving, carefully check that all students have their scores. DO NOT save the sheet without checking that the points are complete! Save the verified statement.

Time for issuing points is up to 48 hours.

The duration may be revised by decision of the DAV.
