

I. How does it affect your work?

A. В некотором отношении это облегчает работу посла, так как руководители стран или обладающие властью официальные лица могут быстро решить проблемы вместе. С другой стороны, это осложняет его работу, так как послу необходимо быть в курсе всех переговоров вокруг него, уметь все учесть при планировании своих собственных действий и выработки рекомендаций.

L Is it even possible to stay on top of all that?

A. Необходимо. Такие контакты становятся все более обычными, и наша работа качественно меняется.
