Y-45 Accounting, audit and analysis in pawnshops: Study guide.
– Almaty: Qazaq University, 2023. – 167 p.

ISBN 978-601-04-6238-0

The textbook reveals the features of the system of accounting, audit and analysis in pawnshop organizations.

The material of the textbook allows you to get basic knowledge on the organization of accounting in these organizations, to acquire the skills and techniques of audit in accordance with applicable standards, as well as regulatory documents. After each topic, a number of control questions are given to consolidate knowledge, practical tasks with solutions and answers, and tests of various types.

A significant place is given to recommendations to improve the efficiency of the pawnshop business.

The publication is of interest not only for bachelors and undergraduates, but also for financial market participants and anyone interested in the development of the financial market.
