## THE POLITICAL AND SOCIAL DIMENSIONS OF THE EAST-TIMOR CONFLICT

J. B. JORDAN

*Department of International Studies*

*University of British Columbia*

*Vancouver, Canada*

*Abstract.* This essay examines how international actors have intervened in the East Timor conflict, and identifies the political and social dimensions of the conflict. It argues that the international community has been largely ineffective in resolving the East Timor conflict, and that the international community has been largely ineffective in resolving the East Timor conflict. It argues that the international community has been largely ineffective in resolving the East Timor conflict, and that the international community has been largely ineffective in resolving the East Timor conflict.

Abstract by J. B. Jordan: 'What was Timor?' is a study in the history, the politics and culture of Timor, and of the East Timor conflict. It is a study in the history, the politics and culture of Timor, and of the East Timor conflict. It is a study in the history, the politics and culture of Timor, and of the East Timor conflict. It is a study in the history, the politics and culture of Timor, and of the East Timor conflict.

Timor is a small island in the East Timor region, and is a small island in the East Timor region. It is a small island in the East Timor region, and is a small island in the East Timor region. It is a small island in the East Timor region, and is a small island in the East Timor region.

Timor is a small island in the East Timor region, and is a small island in the East Timor region. It is a small island in the East Timor region, and is a small island in the East Timor region. It is a small island in the East Timor region, and is a small island in the East Timor region.

Timor is a small island in the East Timor region, and is a small island in the East Timor region. It is a small island in the East Timor region, and is a small island in the East Timor region. It is a small island in the East Timor region, and is a small island in the East Timor region.
