

Dear Dariya SATYBALDIYEVA

Al Farabi Kazakh National University, Kazakhstan

We thank you for your interest in and submitting an abstract to 2nd Symposium on EuroAsian Biodiversity (SEAB-2016) which will be held in Antalya, TURKIYE from May 23-27, 2016. Our scientific committee has evaluated your abstract titled “Determination of Reducing Power and Minimum Inhibitory Concentration of *Crocus alata* Extracts” and decided that you can make an poster presentation.

We look forward to your participation and hope that you would have a productive meeting in the symposium.

With best regards,
