

Tasks and methodical recommendations for the SSW / SSWT

Implementation Schedule for the SSW:

№	Tasks for the SSW*	Implementation form for the SSW	Terms of the SSW** (academic week)
1	Quantization in the calibration of a light cone.	Report	3
2	Destruction of spirits.	Report	4
3	Quantization.	Report	5
4	Superstrings.	Report	6
5	Superconformal field theory.	Report	7
6	Supersymmetry.	Report	8
7	Harmonic oscillators.	Report	9
8	Field theory of superstrings.	Report	10
9	Closed strings and superstrings.	Report	11
10	Geometrical output of the action.	Report	12
11	Reduction of anomalies in string theory.	Report	13
12	A ten-dimensional theory without supersymmetry	Report	14
13	Review of the theory of supersymmetry.	Report	15
