

## Tasks and methodical recommendations for the DSWT

Implementation Schedule for the DSWT:

№	Tasks for the DSWT*	Implementation form for the SSW	Terms of the DSWT** (academic week)
1	Nuclear bound energy	Report	3
2	General regularities of radioactive decay. Natural and artificial radioactivity. Types of decay	Report	5
3	Nuclear fission. Thermonuclear reactions.	Report	7
4	Types of measuring for particles	Report	9
5	Phase Transition and Quark Gluon Plasma	Report	11
6	Nuclear Astrophysics	Report	13
7	Elementary particles and classification	Report	15
