K 17 Historical regional studies of Kazakhstan: Textbook /  
A.B. Kalysh, A.I. Isayeva. – Almaty: Kazakh University, 2019.  
– 172 p.

**ISBN 978-601-04-3903-0**

The textbook deals with historical regional studies of Kazakhstan as an academic discipline, its formation and development, its current state, as well as the place where the national history of the Kazakhs is under research. The analysis of previous research and accumulated regional data on the historical, socio-economic, demographic, geographical and cultural development of the Republic of Kazakhstan is also presented.

This textbook is intended for students of humanitarian universities and university lecturers and professors.
