Barlybayeva S.

**B 24 Media culture of the XXI century. Monograph. – Almaty:
Arys, 2019. – 144 p.**

ISBN 978-601-291-433-7

The monograph introduces the modern information landscape of the XXI century, the development of communication technologies, new media in the world and in Kazakhstan in the period of globalization and the digital revolution, which are moving to a new level in the context of modernizing public consciousness in the republic and forming a new media culture of the information society. The digital age has fundamentally changed the media environment.

The book will be useful to a wide audience.
