D 402 English lexicology tests and seminar tasks: educational manual.
– Almaty: Kazakh university, 2013. – 74 p.
ISBN 978-601-04-0044-3

This study guide is dedicated to the students of the third course of special departments: "Foreign philology", "Foreign language: two foreign languages" and "Translation Studies".

The contents of this book deals with the disciplines: "History Development and English Lexicology" and "Fundamental Theory of the English Language".

The study guide contains seminar assignments for lectures on English Lexicology and tests for each midterm control.

The book includes two parts with the three variants of tests combining the different questions of lectures for RK-1 and RK-2 (rating control). The second part contains exercises and practical tasks for self-study work of students.

Учебное пособие составлено на базе теоретических дисциплин «История развития и лексикология английского языка» и «Основы теории изучаемого языка» и рассчитано для студентов 3 курсов специальностей: «Иностранная филология», «Иностранный язык: два иностранных языка» и «Переводческое дело».

Данное пособие включает тесты (300) по лексикологии, составленные на казахский рубежный контроль по три варианта, а также содержит практические задания и упражнения к семинарским занятиям.
