

# EUROPEAN BIOTECHNOLOGY THEMATIC NETWORK ASSOCIATION

March 23<sup>rd</sup>, 2016

Dear **Ravilya Alybayeva**,

We are pleased to inform you that your abstract numbered: **0192**, titled **“Investigation of the genetic potential of summer wheat’s resistance to heavy metals for the development of clean growing technology”** has been accepted as a **“Poster Presentation”** in the **‘EUROPEAN BIOTECHNOLOGY CONGRESS 2016’** according to the pre-evaluation period.

All the abstracts, of which the presenting author is registered, will be included in the congress scientific programme and published in **Journal of Biotechnology**.

You may visit the registration page on the official website of the congress  
<http://eurobiotech2016.eu/?p=registration>

Please do not hesitate to contact us if you have any questions or need any clarifications.  
We are looking forward to welcoming you in Riga, Latvia!

Regards,
